ASSESSMENT TECHNIQUES

The emphasis in this subject is on completing tasks in a competent manner. Assessment will be delivered using a variety of techniques including:

Project; Practical Activities; Computing & Digital Tasks; Folio of Collected Evidence of Competency; Mock Interviews for positions vacant; Participation in the Meridan State College Work Experience Program.

Students must achieve competency at every task in order to be issued with a full certificate at the completion of this course. *Students must achieve competency at every task and undertake work experience in an approved work placement environment, in order to be issued with a full qualification at the completion of this course. A Statement of Attainment will be issued for any and all units of competency offered in the qualification that have been successfully attained should the full qualification not be earned.*

SPECIAL REQUIREMENTS

No student may enrol in this course without a valid USI. Due to the technological component of this course, participation in the College's BYOx programme is strongly encouraged. **Work experience is a mandatory aspect of this course, and will be offered to students during term 2.**

Students are responsible for sourcing their placement, and their own transport to and from their workplace venue.

CAREER OPPORTUNITIES & PATHWAYS

This course is an entry level course and assists students to develop skills that will allow them to interact in a productive way in the world of work. Other specific technological qualifications available at <http://training.gov.au>.

Disclaimer:

"The College must have certain teachers and equipment to run this course. If the school loses access to these resources, the school will attempt to provide students with alternative opportunities to complete the course and the related qualifications. The school retains the right to cancel the vocational component of the course if it is unable to meet requirements."
