Year 8 – Year 12 Stationery Lists

There will be no specific subject stationery list for secondary school students however all students are required to have access to a suitable learning device (such as a laptop) to enhance teaching and learning in the classroom and beyond.

Please refer to our school website here for more information on our Bring Your Own Device (BYOx) Program and Meridan Laptop Program (MLP).

In addition to a learning device, it is recommended that students have the following basic stationery items:
