

Humanities and Languages Department

Year 9 Economics and Business

Subject Description

Interest rates, cost of living, pay rises, inflation, CEOs, the stock market, shopping centres, and small business. Love it or hate it, we live in the world of economics and business. In this course, students will develop a deep understanding of how economics and business affect our everyday lives. Importantly, students will also see how the world of business can open up exciting opportunities to live a prosperous life that can lead to significant improvements for all.

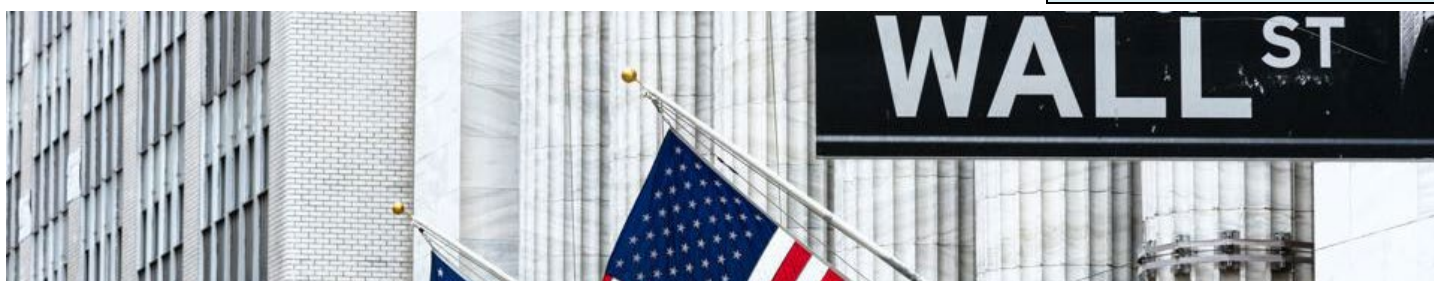

Weekly workload in hours: 1+ hours
