

Year 7 - Ned Kelly Historical Drama Film

12 September 2017

Dear Parents and Caregivers,

Throughout this term in English students have been studying a novel based on Ned Kelly and the significant events surrounding his life.

Therefore as a culminating activity, we would like the students to view the 2003 Australian historical drama film based on Robert Drewe's 1991 novel *Our Sunshine*.

The film will further support the students understanding different perspectives and events in Australian history.

The film, *Ned Kelly* is rated M as it contains mature themes and violence therefore requires parental permission to be viewed at school.

Whilst the students of Year 7 are mature and capable of viewing and discussing the content, it is understandable if you would prefer your child not view the film.

If you do not permit your child to view 'Ned Kelly', please email Ms Kristy Ellis (kelli129@eq.edu.au) by 9am Wednesday 13 September 2017 and an alternate curriculum based activity will be provided.

Kind regards,

Brandie Clucas and Year 7 Teachers

HOD Junior Secondary
