APPLICATIONS CLOSE 8 MAY 2019 - SEE NEXT PAGE FOR DETAILS**

Meridan State College is committed to learning today and creating tomorrow. Full STEAM Ahead offers an opportunity for outstanding year 4, 5 and 6 students who are inspired by challenge and curious about learning in state of the art facilities to come and experience a series of innovative workshops at Meridan State College (2015 Queensland School of the Year).

Application available on the Meridan Website Search Full STEAM Ahead

Full STEAM Ahead promises to enrich and extend your child in workshops across Science, The Technologies, Engineering, The Arts and Mathematics (S.T.E.A.M) and build engagement and passion in these areas.

Full STEAM Ahead is designed to provide students with learning opportunities in facilities that are not available in some primary schools. These workshops will be academically challenging and therefore, an application form must be completed and submitted before the 8th May 2019.

For enquiries please contact Head of Department Learning Enhancement Mrs Georgia Carroll at le.events@meridancs.eq.edu.au

Meridan State College will assess all applications and successful applicants will be notified by the 15th of May, 2019.

Prepare to be inspired!!!

THE EDISON ROBOT V2.0

As part of Full STEAM Ahead 2019, each student will take home an Edison Robot V2.0.

The Edison robot is a powerful tool for teaching computational thinking and computer programming. With more built-in sensors than any robot in its class as well as lights, sounds and autonomous behaviour capabilities, Edison makes true robotics inspiring engaging.
