

MERIDAN MARVELLOUS MOMENTS

Parents are invited to inform Meridan State College about their child's special achievements that happen outside of school hours. This can be an extra curriculum activity such as a significant achievement or if they strive to make our community a better place. Meridan SC will be happy to place your students' achievement in the Meridan Marvellous Moments section of our Newsletter and our school Facebook page. Please include a photo of the 'Marvellous Moment' (no larger than 2MB, JPEG/BIF format please).
