MEDICAL AND EMERGENCY DETAILS

Any relevant changes to medical details or emergency contacts that are currently kept on record by the College should be updated immediately. It includes details on any medication currently being taken that might be relevant in a medical emergency. Changes to phone or email addresses should also be updated.

INJURY AND INSURANCE

Please be aware that when involved in activities there is an inherent risk of physical injuries occurring without any negligence on the part of the school and in such circumstances the responsibility for the injury and any associated costs will rest with you and not the school. Parents are advised that the Department of Education, Training and Employment (DETE) does not have Personal Accident Insurance cover for students. DETE has public liability cover for all approved school activities and provides compensation for students injured at school only when the Department is negligent. If this is not the case, then all costs associated with the injury are the responsibility of the parent or carer. It is a personal decision for parents as to the type and level of private insurance they arrange to cover students for any accidental injury that may occur.

Please see below, information regarding the 2016 finals draw.

If you have any queries please contact your team coach, or alternatively Brent Schilf (bschi36@eq.edu.au) or Ross Stewart (rstew101@eq.edu.au) on 5490 2666.

Yours sincerely
