

Investing for Success

**Under this agreement for 2021
Meridan State College will receive**

\$839,705*

This funding will be used to

Improve student learning outcomes, so that:

- Every student will be able to articulate what they need to do next.
- All students achieving a C or better in English, Maths and Science.
- 50% or higher of students achieving an A or B in English, Maths and Science
- All Year 12 students attain a QCE or QCIA or on an employment pathway.
- All students are actively engaged in learning
- 95% or more attendance rate

Our initiatives include

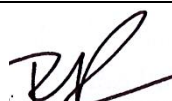

- Responding to all students as individuals through differentiated practices and making necessary adjustments.
- Ensuring that staff have a deep and shared understanding of the Australian Curriculum and Senior Syllabi as outlined in the P-12 Curriculum, Assessment and Reporting Plan.
- Aligning curriculum, pedagogy, assessment and reporting
- Improving student learning by continuing to build teacher capacity to differentiate for student needs in their classroom.
- Supporting students to take ownership of their learning and help them to set precise steps for themselves to reach mastery, monitor themselves and regulate their thinking during every lesson.
- Regularly analyse outcomes of assessments to inform student progress and design and implement short-term interventions.
- Improving student's wellbeing by developing their capacity to identify and implement ways to optimise their own wellbeing.
- Improving student's wellbeing by reviewing and developing explicit health promoting curriculum, to ensure areas of need identified are addressed proactively.
